SAFETY FOOTWEAR

## COURT / 5300 I

**Sex:** Female

**Sizes:** 2-9

**Available in black**

### Upper

- The fashionable all leather upper is cut from 2.0 – 2.2mm smooth Full Grain leather. The leather has been tanned for a softer, more comfortable feel as well as having good hard wearing characteristics.
- The Comfort vamp lining is made from a special needled Hi-Tech Fibre blend which has excellent perspiration absorbency resulting in a low heat buildup and a more comfortable shoe for the wearer. This material has been treated with “ULTRAFRESH” which imparts additional hygienic and anti-bacterial properties to the lining.

- The Shwe Shwe quarter lining is from an industrial quality cotton type woven material with good abrasion resistance.
- The collar padding is from a soft open cell foam for superior comfort and support

### **Insole and Sock**

- The insole is from a specially developed anti-static non-woven material which has exceptional directional stability, durability and comfort.
- The “Energiser” moulded footbed sock is made from a specially needed 100% pure new wool blend with 5mm EVA low density closed cell memory foam inserts in heel and forepart for extra comfort which offers excellent compression and eliminates shock impact on heel strike. This material has been specially treated with “ULTRAFRESH”, which imparts hygienic and anti- bacterial characteristics to the material.
- A special shank reinforcement is moulded into the midsole to give additional support under the arch of the foot.

### **The PU Sole**

- The sole is from foamed polyester polyurethane, for lightness, comfort and flexibility. The sole has a shore hardness of 0.64 – 065.  
The polyurethane sole is an excellent insulator against the cold concrete floors and has a heat resistance of between 100 and 110C
- Pink TPU inserts adds a feminine touch and abrasion resistance.

### **Toe Caps**

- The steel toe cap is imported from Europe and complies with the S.A.B.S. specification to withstand an impact load of 200 joules. This toe cap has a wide fitting but is also fashionable and feminine.

The “COURT” shoe, has been tested to comply with SANS/ISO 20345 specification and carries the SANS/ISO 20345 Certified Mark.
